# Downtown Parking Made Easy

Welcome to downtown Boston's most complete parking facility where a variety of flexible corporate and individual parking plans are available.

## The Park Card\*

If you are a frequent downtown parker who wants flexible parking privileges, The Park Card is right for you. This unique program uses a garage pass card that automatically deducts charges from your pre-paid balance.

The Park Card offers the same privileges as the Monthly Pass Card — guaranteed access and unlimited in-and-out privileges, but you only pay for the hours or days you park.

Inquire at the Garage Office on the lobby level or call 617-423-1500 for information on special Park Card promotions and discounts.

\* Availability Limited.

## The Preferred Card (Monthly Pass Card)\*

The Preferred Card offers unlimited, guaranteed access 24 hours a day, seven days a week. You can come and go as many times as you like without ever stopping at the cashier, all for one monthly price. Even during busy mid-day hours, the Preferred Card always guarantees you a place to park. Just drive in and out using your access card and enjoy the convenience of parking at Garage at Post Office Square.

\* Availability Limited.

## Business Validation Account

If your client drives around downtown Boston looking for parking when they visit your office, our Business Validation program is a smart way to get them off the street. You simply choose a program to fit your needs — a set amount of complimentary parking time, a percentage discount on the full parking visit or a particular dollar allowance. At the end of each month, your business will receive a detailed statement of the courtesy parking you provided to your clients at Garage at Post Office Square.

## Night, Weekend, and Special Event Parking

Garage at Post Office Square offers a low rate for night and weekend parking. We are located just a short walk to many destinations — Faneuil Hall and Quincy Market, the waterfront, Langham Hotel and the Downtown Crossing shopping district. Our fast exit system will put you quickly back on the street without delay for your special event. We also have group parking discounts available.

### The Night Owl

If you frequent the city in the late afternoon, or on evenings and weekends, The Night Owl Sticker Program was designed just for you. Each sticker entitles you to park in the garage for one visit — beginning at 2:30 PM through 8:00 AM the next day for only \$7.00 — or use a sticker for all day parking on a Saturday or Sunday. Stickers, sold in packs of ten, are available in the Garage Office.

**For more information on any of our parking programs, please call 617-423-1500 or visit our web site at [www.posquare.com](http://www.posquare.com).**
